

Minimum Wage Studies Meta-Analysis

Byler J., Korzeń K.

University of Warsaw, Faculty of Economic Sciences
May, 2021

Introduction

Previous Meta-Analysis

Reproduce the obtained results using the reported sample of studies.

Extended Meta-Analysis

Add 2-5 newer studies, preferably using the selection process reported in the original study.

Replicate the results with the extended sample.

Results

Present your findings and discuss them.

Conclusion
